## Federal Student Aid

### **HOW DO YOU APPLY FOR FEDERAL STUDENT AID?**

- **CREATE AN FSA ID.** Students, parents, and borrowers are required to use an FSA ID, made up of a username & password, to access U.S. Department of Education websites. Your FSA ID is used to confirm your identity and electronically sign your federal student aid documents. To create an FSA ID, visit [StudentAid.gov/fsaid](http://StudentAid.gov/fsaid).
- **COMPLETE THE FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) at [fafsa.gov](http://fafsa.gov).** For the 2017-18 award year, the **FAFSA is available starting October 1, 2017**. You need to apply as soon as you can! Schools & states often use FAFSA information to award nonfederal aid and their deadlines are usually earlier in the year. Michigan's deadline is March 1, 2018. Also check with the schools you're interested in for their deadlines.
- **REVIEW YOUR STUDENT AID REPORT.** After you apply, you'll receive a Student Aid Report, or SAR. Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution (EFC). The EFC is a number (not a dollar amount) used to determine your eligibility for federal student aid. Review your SAR information to make sure it's correct. The schools(s) you list on your FAFSA will get your SAR data electronically.
- **CONTACT THE SCHOOL(S) YOU MIGHT ATTEND.** Make sure the financial aid office at each school you're interested in has all the information needed to determine your eligibility. If you're eligible, each school's financial aid office will send you an aid offer showing the amount and types of aid (from all sources) the school will offer you. You can compare the aid offers you received and see which school is the most affordable once financial aid is taken into account.
